## Advert

<b>Position:</b>	Teacher of Mathematics
<b>Contract type:</b>	Full Time or Part time
<b>Contract term:</b>	Permanent
<b>Salary:</b>	MPS/UPR (There is also the possibility of a TLR for the right candidate.)
<b>Start date:</b>	September 2025

### The Role

Corfe Hills School is an ambitious and high performing school where every student is known and supported to succeed. The school has been on a significant and ambitious improvement journey over the last five years as can be seen by our excellent outcomes. In our most recent Ofsted inspection we were graded good in all categories. This is a fabulous opportunity to join our amazing Mathematics department. You will join a highly successful department that is thriving and has a strong uptake at A level including Further Mathematics.

We are seeking an enthusiastic, well qualified and ambitious person to teach Mathematics across the full ability range at Corfe Hills School. The ability to teach to GCSE is required and the ability to teach at A level is desirable. As a classroom practitioner you would need to demonstrate exceptional classroom practice and be able to motivate and inspire students. This will involve 100% commitment to our vision which is captured in our strapline "High Expectations | Exceptional Individuals".

This is a full time vacancy (part time would be considered) and we can be flexible about the hours for the right candidate. We are keen to work with the successful candidate to find a timetable which will be mutually beneficial.

**We would welcome applications from Early Careers Teachers.**

### Teaching and Learning

Teaching and Learning is at the heart of all that we do and our personalised professional development programme is centred around our Principles of Teaching that have been shaped by research from, among others, Barak Rosenshine, John Hattie and Doug Lemov. We also follow a lesson structure shaped around these principles that liberates and enables students to Learn to the Max every lesson. We are committed to regular developmental lesson visits and coaching conversations as part of our shared commitment to developing as practitioners.

### The Curriculum

The school operates a 50 period two week timetable. In Year 9, students are taught Maths for 7 hours per fortnight and this rises to 8 hours in Years 10 and 11. A-level students are taught for 9 hours per fortnight and we offer both Maths and Further Maths.

### Our Facilities

Our facilities are excellent; Maths has a suite of large, comfortable classrooms with a staff office at its centre. Students and staff also have remote access to the school's network, their files and relevant software.

### Living Here

Corfe Hills School is in a fabulous location within easy reach of Bournemouth and its beaches, Poole and its harbour, the Jurassic Coast and the Dorset countryside. The school serves the catchment area of Broadstone, Corfe Mullen and the wider area and we truly believe that all of our students are exceptional.

### Application Process

Please see the application process on page 6 for further information.

## Letter to Candidate

Dear Applicant

Thank you for your interest in the position of Teacher of Mathematics. At Corfe Hills School we are passionate about excellence in learning. This is the foundation which will enable our young people to achieve the highest possible outcomes during their time with us. We have the highest expectations of students – that they will learn to the max in every lesson, have high aspirations for themselves and embrace the wide range of opportunities available to them both inside and outside the classroom. We deliver a broad, deep, engaging and knowledge rich curriculum that leads to excellent outcomes and prepares our students to make a positive lifelong contribution to society. We place great emphasis on developing character and creativity alongside academic excellence.

Our motto is “High Expectations - Exceptional Individuals” and we truly believe in the potential of every young person who joins the school. We have an exceptionally committed staff, including talented teachers and a fabulous support staff team.

As a school we are absolutely committed to reducing workload so that staff thrive at Corfe Hills School. We offer a highly visible and supportive Leadership Team, a liberating lesson structure based on Rosenshine’s principles, a personalised professional development programme centred around our Principles of Teaching, centralised detentions, daily ‘Learning to Max’ checks to ensure students are ready for learning and a commitment to whole class feedback.

This pack contains information about our school, an application form and a description of the personal qualities and attributes we look for in a teacher at Corfe Hills School. There is also much more information about the school on our website. We welcome informal visits to the school prior to application, to arrange this please call 01202 006666 or email [headspa@corfehills.net](mailto:headspa@corfehills.net).

I wish you well should you decide to apply and look forward to meeting you should your application be successful.

Yours faithfully

James Sankey  
Headteacher
